

I am concerned with the possible expansion of the Low Power FM expansion. It is my understanding that this would jeopardize current FM translator service by giving these new LPFM stations priority. My family and I are regular listeners to K-LOVE radio and have always appreciated being able to pick it up whether at home or many times out of town. Our area is blessed by the Christian music and commentaries we hear daily and would be at great loss if K-LOVE was displaced by an LPFM broadcaster providing other programming. K-LOVE provides enjoyable music as well as wholesome values, benefitting all the communities who receive it. Thank you for your consideration.
